Every Aurea Product. Unlimited Possibilities.

With the new Aurea Unlimited, every Aurea customer now has access to every product in our portfolio. We believe that with our entire library of powerful software tools, you can unlock unlimited possibilities to grow your business and delight your customers.

WHAT'S INCLUDED:

Every enterprise-grade product is available in the Unlimited software library, including both cloud-based and on-premise offerings and Standard and Enterprise editions.

Sales & Marketing Solutions:

Aurea CRM: Evolve your CRM from customer management to customer engagement.

Aurea List Manager: Simple, on-premise email marketing to deliver the right message at the right time.

Aurea Campaign Manager: Email marketing in the cloud to deliver the right message at the right time.

Distribution Channel Management for AIS: Optimize your producer commission calculation and payment process.

First Rain: Understand your customers and engage them intelligently through powerful analytics.

Infer: Actionable intelligence to win more customers.

Aurea Unlimited means:

Value.
Your investment in Aurea now extends far beyond one product, with a software library that grows in number and value every year.

Innovation.
Aurea accelerates your digital transformation by removing the barriers to innovation and the risk of new initiatives.

Support.
Every product in the software library comes with our Standard Support, so you always have the resources to succeed.
